Figure 2: Number of LADCs per 100,000 Residents, 2020–2025

Year	State	Urban	Rural
2020	27.60	28.80	25.80
2022	27.33	28.46	25.49
2024	27.57	28.36	25.87
2025	29.98	31.45	27.04

Source: BHECN 2025 Behavioral Health Workforce Data Snapshots; 10_LADC_2025_FINAL2.xlsx, Rural-Urban Supply worksheet.

Data note: 2022, 2024 and 2025 values reflect the original source spreadsheet, displayed here to two decimal places. Full original precision is retained in Excel. The 2020 values are transcribed from the published chart labels because 2020 rates were not present in the supplied source worksheet; they should not be interpreted as verified unrounded source values.
