INVITE YOUR FRIENDS

UNMC alumni, friends and faculty are invited to celebrate! Enjoy an evening filled with entertainment, memories and friendships!

Alumni Association Annual Meetings

The boards of directors of each of the alumni associations unanimously approved the creation of new combined UNMC Alumni Association corporation. This new 501(c)(3) corporation will streamline administrative and financial management while retaining the unique identities of UNMC's several alumni associations. Please plan to attend your Alumni Annual Meeting to learn about the benefits of the new UNMC Alumni Association and to vote on approving the new corporate structure. Under this structure, each chapter will retain their own assets and Board of Directors to oversee individual budgets and activities. The new Association will have a Board of Directors comprised of representatives from each of the UNMC Colleges and the School of Allied Health Professions to provide direction on interdisciplinary activities and overall fiscal management. Your vote is important as we move forward in this new management structure. Information on the new structure is posted on our website, unmc.edu/alumni.
