PLEASE UPDATE YOUR SCHOOL'S DIRECTORY PAGE.

It is imperative that the information contained in this directory be up-to-date.

Update your school's directory information by:

- 1. Using the active "Please help update" link in the main menu of the website – <http://www.unmc.edu/code> or,**
- 2. Print and complete the Directory Update Form from this directory, page 7 and email a copy to gary.stafford@mu.edu and wwjohnson@unmc.edu.**

Thank you for your assistance.

Foreword

The 2020 edition of the CODE Directory of Operative Dentistry Educators is based on the most current information received by the National Director from each reporting school. Each CODE Representative is responsible for notifying the National Director of changes made to the directory. Each school has a listing, even if information was not received nor support of CODE was provided through annual dues payment.

This directory is accessible through the web at www.unmc.edu/code and an electronic copy is sent to each member school's Dean and CODE representative(s). It is imperative that the information contained in this document be reviewed and corrected by the membership. Periodic updates should be e-mailed to the National Director at staffoga@ohsu.edu and/or the webmaster at wwjohnson@unmc.edu immediately. An update form is included in this directory for the convenience of each regional CODE representatives and an annual review of participating members should be performed during the Regional meeting. The listing for each department/program/section should include full-time faculty who are directly involved with the teaching of operative dentistry.

CODE can only be as effective as its individual member's desire. The Regional Directors and the National Director thank all of the members for their support and cooperation. The Regional Directors also need your suggestions and recommendations to promote organization improvement and growth.
