

HUMAN RESOURCES

This career development and networking series is open to Office/Service staff of the University of Nebraska Medical Center. The goal of this series is to strengthen employees' skills foundation so that they experience the highest level of functioning in their current position and are motivated to advance forward as leaders in their current/future UNMC positions.

Foundations for Success

Nominees to the series must fit the following criteria:

- be a full-time UNMC employee for at least one year
- be nominated by a manager or supervisor
- have excellent performance in their current position
- commit to attend all four sessions
