

PULMONARY AND CRITICAL CARE MEDICINE FELLOWS CERTIFYING EXAMINATION POLICY

Fellows desiring to take the certifying examination in Pulmonary Diseases or Critical Care Medicine during their fellowship must inform the program director of their intent thirty(30) days prior to submitting their registration form. Registration opens for the Pulmonary Disease certification examination on March 1st and ends May 1st. Therefore, notification must be received by February 1st. A letter of approval will be sent by program director within 30 days. **Approval to sit for a certifying examination must be obtained in writing from the program director prior to submission of registration.** Failure to do so may result in adverse communication with the Board by the program director.
