

Linking articles from *Wiley InterScience* journals into Blackboard

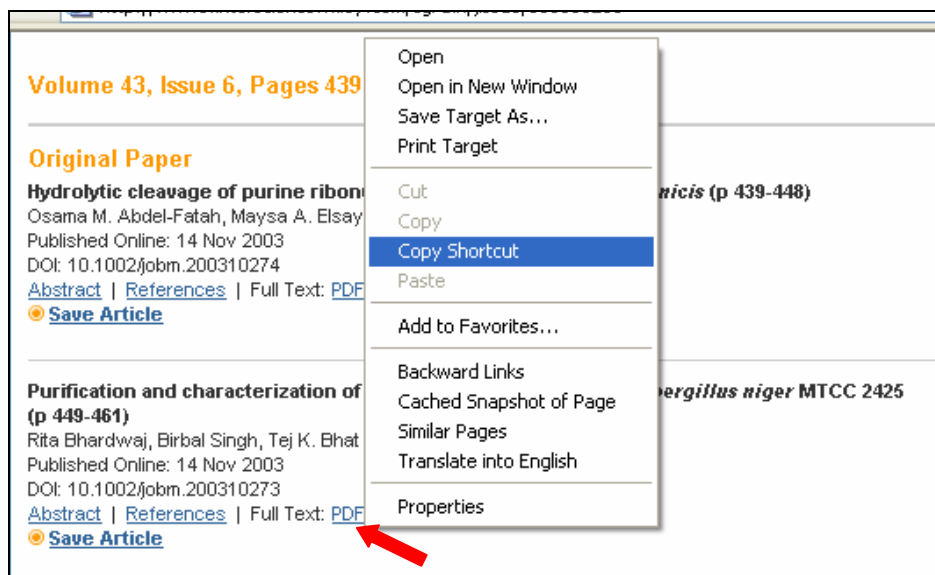

Full-text articles found in library databases can be linked into the Blackboard course space. Due to the various licenses of these databases, **please check with the library if you want to post the article for more than one semester.**

Wiley journals can be identified by this symbol.

To link an article from the *Wiley* journals, follow these steps:

1. Find the full-text article you want to link, right click on the **PDF** link and select **Copy Shortcut** from the menu:

2. Paste the link into Word:

<http://www3.interscience.wiley.com/cgi-bin/fulltext/106565320/PDFSTART>

4. Proxy server: **Important step!**

In order for students to access the link from off campus, the proxy server address must accompany the article link. Add the following URL before the article link with no additional spaces:

<http://library1.unmc.edu:2048/login?url=>

Final product:

<http://library1.unmc.edu:2048/login?url=http://www3.interscience.wiley.com/cgi-bin/fulltext/106565320/PDFSTART>

5. **NOTE:** The article PDF with open or you may be taken to the Abstract page. In that case, you can easily click on the **PDF** link to retrieve the article.
