

August 24, 2009

To Whom It May Concern:

For the record, the University of Nebraska Medical Center (UNMC) is in full compliance with the Food and Drug Administration (FDA) final rule requiring institutional review boards to register through the IRB registrations system maintained by HHS Office for Human Research Protections (OHRP).

- The Organization is listed with HHS/FDA as the U of Nebraska Med Ctr (IORG0000392).
- The FederalWide Assurance (FWA00002939) expires 08/24/2012
- There are four fully registered Institutional Review Boards designated on the FWA:
  - U of Nebraska Med Ctr IRB #1                      IRB00000670 (valid until August 21, 2012)
  - U of Nebraska Med Ctr IRB #2                      IRB00000671 (valid until August 21, 2012)
  - U of Nebraska Med Ctr IRB #3                      IRB00002686 (valid until August 21, 2012)
  - U of Nebraska Med Ctr IRB #4 – Pediatric      IRB00007222 (valid until August 21, 2012)

If you have any questions or require further information, please contact me at the Office of Regulatory Affairs (402-559-6463).

Sincerely,

Ernest D. Prentice, PhD  
Executive Chair, IRB
