

Housing

Omaha has a number of affordable housing options whether you are looking to buy or rent. Since it is so affordable, most residents own homes. UNMC is located in south-central Omaha housing area #241 when searching for nearby properties. Most residents live in area 241 or somewhere west of this area and find it to be very safe for their families.

Follow the links below to help in your property search. Omaha uses the Multiple Listing Service (MLS) and is an open market so most sites allow you to search other company's listings as well. Feel free to contact us if you have questions about specific areas in the city and we will gladly try to answer your questions!
