Omaha offers many of the benefits of small town living combined with the amenities of a large, urban center. The affordable cost of living, low crime rate and great public and private school systems are definite attractions. There are so many opportunities here for both singles and for families. The cultural events in Omaha include many theatres, a symphony and several museums, including a fabulous Children's Museum. Omaha's Henry Doorly Zoo is also a main attraction. It's located right next to Rosenblatt Stadium, which is home to the Omaha Royals and also hosts the College World Series annually.
