

Clinical Publications

- Lee, Y., James, E., Bocharov, V., Vitamvas, M., Oleynikov, D., Long-Term Outcome of Cruroplasty Reinforcement with Human Acellular Dermal Matrix in Large Paraesophageal Hiatal Hernia. *J Gastrointest Surg* 2008 Jan 8.
- Lee, Y., Iqbal, A., Vitamvas, M., Thompson, J., Oleynikov, D., Is it Safe to Perform Laparoscopic Ventral Hernia Repair with Mesh in Elderly Patients? *Hernia* 2007, Dec 8.
- Rogers, A., Jones, E., Oleynikov, D., Radio Frequency Identification (RFID) Applied to Surgical Sponges. *Surg Endosc* 2007 Jul; 21(7): 1235-7. Epub 2007 May 5.
- Iqbal, A., Lee, Y.K., Vitamvas, M., Oleynikov, D., 48-hour pH monitoring increases the risk of false positive studies when the capsule is prematurely passed. *J Gastrointest Surg*. 2007 May; 11(5): 638-41.
- Bocharov, V., Iqbal, A., Lee, Y.K., Vitamvas, M., Oleynikov, D., One Hundred Consecutive Laparoscopic Nissen's Without the Use of a Bougie. *American Journal of Endoscopy*. 2007, Dec; 194(6): 866-70.
- Ringley, C., Lee, Y.K., Iqbal, A., Bocharov, V., Sasson, A., McBride, C., Thompson, J.S., Oleynikov, D., Comparison of Conventional Laparoscopic and Hand-Assisted Oncologic Segmental Colonic Resection. *Surgical Endoscopy*, 2007, Dec; 21(12): 2137-41.
- Bocharov, V., Ringley, C., Vitamvas, M., Oleynikov D., Bilateral Laparoscopic Inguinal Hernia Repair in Patients with Occult Contralateral Inguinal Defects. *Surgical Endoscopy*, 2007 Feb 20.
- Ringley CD, Bochkarev V, Oleynikov D, Oelschlager BK, Pellegrini CA, Esophageal Duplication Cyst – A guest Case in Robotic and Computer – Assisted Surgery From the University of Nebraska Medical Center, *Medscape General Medicine* 8 (4); 25. 2006.
- Ringley CD, Bochkarev V, Ahmed SI, Vitamvas ML, Oleynikov D. Laparoscopic hiatal hernia repair with human acellular dermal matrix patch: our initial experience, *The American Journal of Surgery*. 2006
- Oleynikov D, Oelschlager B, New alternatives in the management of gastro esophageal reflux disease. In Press.
- Oleynikov D, Eubanks TR, Oelschlager B, Pellegrini CA. Total fundoplication improves symptoms of heartburn and dysphagia in patients with defective peristalsis. *Surg Endosc*. 2002 Jun; 16 (6): 909-13.
- Oelschlager BK, Eubanks, TR Maronian N, Hillel A, Oleynikov D, Pope CE, Pellegrini, CA. Laryngoscopy and pharyngeal pH are complementary in the diagnosis of gastroesophageal-laryngeal reflux. *J Gastrointestinal Surg*. 2002 Mar-Apr; 6 (2): 189-94.
- Oleynikov D, and Oleschlager, BK. New alternatives in the management of gastroesophageal reflux disease. Presented to the Southwest Surgical Congress, San Diego CA, April, 2002
- Oelschlager BK, Eubank, TR, Oleynikov D, Pellegrini CA. Symptomatic and Physiologic Outcomes after Operative Treatment for Extraesophageal Reflux. Submitted for publication to *Surgical Endoscopy* June, 2001
- Oleynikov D, Barton R, Watt R, Shelby J. Acute alcohol ingestion causes immune modulation in a mouse hemorrhage model. *Shock supp*. 1999;11:73
- Oleynikov D, Kladar P, Stringham J, Barton R. A case report of pneumatic staple gun injury to the aorta. *J Trauma*, 1998; 45:892-
- Oleynikov D, Cook C, Sellers B, Mone M, Barton R. Decreased mortality from necrotizing pancreatitis. *Am J Surg*, 1998;176:648-53
