

Conferences

A [calendar](#) is published monthly from the Neurosurgery Section which details all conferences, their dates, times and locations. Residents are encouraged to attend all conferences.

The conferences include:

- Neurosurgical weekly staffing conference at UNMC
- Neuropathological/Brain Cutting at UNMC twice a month
- Tumor Clinic and Conference monthly at UNMC
- Tumor Clinic at Methodist/Children's monthly
- Neurologic Grand Rounds bi-weekly at UNMC and Methodist/Children's
- Neuroradiology Rounds held weekly at UNMC
- Neuroscience Research Seminars TBA at UNMC
- Neurosurgery Morbidity and Mortality and Quality Assurance held monthly at UNMC as well as at Methodist
- General Neurosurgery Conference held on the fifth Wednesday of the month alternating between UNMC and Methodist/Children's.

The residents are provided semi-annual visiting professorships at UNMC in the spring and Methodist/Children's in the fall each year.
