

# Welcome to Omaha

Omaha is a thriving metropolis located on the banks of the Missouri River. With a growing population of 700,000, people are attracted to the metropolitan area with its low crime rate and moderate cost of living. The opportunities in Omaha abound for families and single individuals!

With a rich history, Omaha has numerous attractions from the Old Market to the Durham Museum to the Omaha Children's Museum. Sports aficionados will find the excitement from a variety of events, including the NCAA College World Series. Animal lovers will be impressed by the Henry Doorly Zoo, ranked as one of the top five zoos in America! For those interested in fine arts, the Joslyn Art Museum displays fine art collections as well as regular unique exhibits and the Theatre Arts Guild is Omaha's source for all local theatrical performances.

Take a few minutes to check out some of the sites to see why a residency in Omaha would be not only educational, but fun and exciting!
