

Undergraduate Medical Education

Welcome to the Undergraduate Medical Education home page for the Department of Pediatrics at the University of Nebraska Medical Center. This site contains specific information for the Junior Pediatrics Clerkship as well as Senior Elective information. We also have information about the Pediatric Interest Group, an interest group for medical students, that explains some of the programs they offer throughout the year.

Refer to the menu for a specific site that you are interested in. Please feel free to contact us about our undergraduate education programs.
