

University Psychiatry

The Division of University Psychiatry has been created to meet the varied and emerging needs of the medical center for psychiatric services. It is a recognition of the central role this campus plays in the mission of the Department of Psychiatry.

Services currently offered include a 10-bed inpatient psychiatric unit, a consultation service for patients hospitalized elsewhere on the Nebraska Medical Center campus, coverage of the Emergency Room and outpatient services located in the Doctor's Building, South Tower.

Other specialty services include active collaboration with the Liver/Small Bowel Transplantation Program and the Speciality Care Clinic at 52nd and Leavenworth Street.
