

Post 658

Post 658 has got it happening, 22 young ladies learned CPR N Da Hood Tuesday night, and were awarded certificates...good job done by the young teachers Kaneesha, Arela, Marrissa, Antonio, Isaiah, and Tre. Their goal is to present CPR N Da Hood to over 500 young people in North Omaha this year. The mission of the medical explorer post is to teach other young people of the community health and wellness by instruction and example. The fourth picture shown here is the debriefing and eating the post members do after each teaching assignment. UNMC Post advisors at this event were Ira Combs and Wayne Houston.
