Golf Parody

*I think that I shall never see a hazard rougher than
 an tree; A tree o'er which my ball must fly if on the
 green it is to lie; A tree which stands that green to
 guard, and makes the shot extremely hard; A tree
 whose leafy arms extend to kill the six iron shot I
 send; A tree that stands in silence there, while
 angry golfers rave and swear. Irons were made for
 fools like me who cannot ever miss a tree.*
