

# How To Get Involved

## Student Providers

The SHARING Clinics would not work without the help of countless volunteers. If you are a UNMC student interested in volunteering, email [sharingrec@unmc.edu](mailto:sharingrec@unmc.edu).

## Faculty Providers

Faculty providers are a critical component of running successful clinics. Without the generosity and dedication of our wonderful faculty, the operating the SHARING Clinics would not be possible. If you would like to volunteer your time at one of our clinics, contact Matt Albin at [malbin@unmc.edu](mailto:malbin@unmc.edu).

## Medical Interpreters

The SHARING Clinics work to promote healthcare for the uninsured and underinsured of the Omaha community. Because of this, a number of patients seen at the clinics are Spanish speaking. Translators are an essential asset to the SHARING Clinics, and their efforts are greatly valued by both the student and physician volunteers at the clinics, as well as the patients. For more information on volunteering as a translator at the clinics, contact the Derrick Antoniak at [dantonia@unmc.edu](mailto:dantonia@unmc.edu).
