

# Floor Plans

## INSIDE THE SORRELL CENTER

**Technology laboratories**

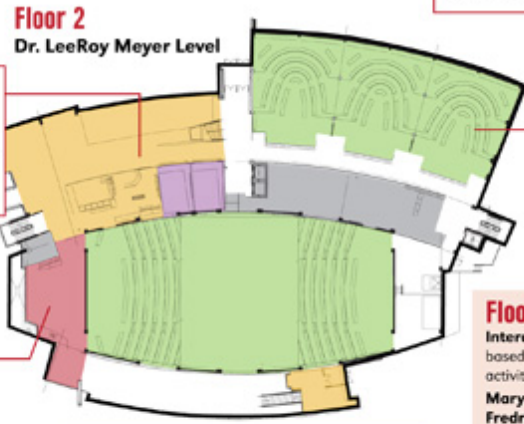

Two large rooms (72 and 60 seats) with technology for computerized testing and training. Virtual microscopy and pathology allow students to image microscope slides digitally.

**Dr. Stanley M. and Dorothy Truhlsen Campus Events Center**

500-seat special events center.

**Clinical Skills Center**

Sixteen simulated clinic rooms for student training and evaluation. The skills center also has an eight-bed hospital area used by nursing and physical therapy students. Cameras record patient-student interaction. Students can also train on mannequins.

**Alumni Commons**

Large, multi-use area for study, relaxation and interaction; adjacent to campus convenience store. Given by the College of Medicine Alumni Association.

**Dr. C.C. and Mabel L. Criss Seminar Room**

One of four 80-seat rooms used primarily by allied health, pharmacy and nursing students.

**Dr. James and Karen Linder Reading Room**

Quiet interaction space for faculty-student mentoring and special events.

**Floor 3 (not diagrammed)**

**Interaction rooms** Used for problem-based learning and other small-group activities.

**Mary Ann "Maisie" Paustian and Dr. Fredrick F. Paustian Amphitheaters** Two 220-seat auditoriums used as main lecture halls for first- and second-year medical students.

**Floor 4 (not diagrammed)**  
**The Nebraska Medical Center Level**  
 UNMC College of Medicine administrative offices.
