

# UNMC Omaha – Main campus

The University of Nebraska Medical Center's main campus is in Omaha, located at 42nd and Dewey Streets. Student enrollment includes more than 3,000 students.

Nearly 10,000 students, employees, staff and faculty are located in the area of 10 square blocks that make up the campus. This area includes classrooms, labs, outpatient care, the Lied Transplant Center, Munroe-Meyer Institute and other university facilities. Two hospitals – University Hospital and Clarkson Hospital – also are located on campus. They are operated by our clinical partner, The Nebraska Medical Center.

## **About Omaha**

More than 716,000 people live in Omaha and the surrounding metropolitan area. The size of the city leads to a variety of options for arts, theater, entertainment, restaurants and services. Omaha has one of the lowest costs of living among major metro areas, and our crime rate is one of the lowest in the nation for cities its size.
