

Registration

The Registration office is located on the second level of the Student Life Center (Center for Healthy Living). The office processes registrations for all students for each term.

Because most curricula and class schedules are pre-determined, class registration for most students at UNMC is done automatically.

The Registration Office also handles:

- Drop/add forms.
- Grades.
- Certification of veteran's benefits.

If you need assistance with any of these areas, contact Janet McLaughlin at 402-559-4207 or e-mail jmclaugh@unmc.edu.
