

UNMC Delegates

Become a UNMC Delegate

UNMC Delegates are students, alumni, faculty, staff and friends—people like you—who stay informed about the federal and state policy issues that affect UNMC. By tracking and influencing public policy, delegates strengthen UNMC’s academic programs and support research in a way that benefits all Nebraska citizens.

Join other UNMC Delegates across the nation and make your voice known on issues of great importance to the future of UNMC and Nebraska.

If you choose to join this free program, you will receive:

- An invitation to attend a delegates-only annual event with UNMC Chancellor Harold M. Maurer, M.D.
- An invitation to forums featuring health care policy experts.
- Monthly e-mail communication including legislative updates and advance notice of UNMC outreach events.
- Notification when key votes affecting UNMC are expected in federal, state and local governmental bodies.

Stay informed about federal and state legislative issues that impact health care, research and UNMC.
