UNMC CON JUST-In-TIME GRANT APPLICATION FORM

Date Submitted			
Principal Investigator		**Email:**	
Institution/School/Department			
Relevant Co-Investigator(s) Name/Institution/School/Dept.			
Project Title:			
IRB Approval: Yes/No **IRB Approval #:**	**When does approval expire?:**		
Project Period during which funds are needed:			
Equipment/Service to be used: (Please include institution where equipment/service is located)			

Are there additional equiment/supplies/services required?		**If yes, please provide a budget and justification.**
Are the funds for this equipment /supplies/service included in another budget for this research?		
If No:	☐ **Unfunded pilot data**	
	☐ **Assessment added after funding award**	
	☐ **Award had insufficient funding to meet aims of the study**	
	Other (specify)	
If Yes:	☐ **Requested funding cut by funding agency**	
	Other (specify)	

Please provide the following:

- Current NIH Biosketch OR Curriculum Vitae
- Supplies/resources requested in association with the proposed or ongoing research.
- All information in Request Justification below.

PI Signature:_____ _____ **Date:**_____

Budget Details
Complete the information for the equipment/resources you propose to utilize for your study. If the you have formal documentation regarding pricing, please submit it with your application.

Equipment/Resource	# (amount)	Cost/unit ($)	Total Funding ($)

Budget Justification:

1. Provide a description of the project, including the significance, impact, methods, measures and expected outcomes overall, as well as with specific detail relevant to this JIT funding request.

PI Request Justification (not to exceed 2 pages)

A. What other funding is currently available for this project? If funding exists, explain why additional funding is needed and project specifics regarding funding source (i.e., internal, external, agency name, agency #, etc.).

B. How will this funding help you further your project? What are alternatives if you do not receive this JIT funding in this round of review?

C. Please describe the relevance of your project to your overall program of scholarship (e.g., future grant submissions).
