

Community Home Elder Safety Solutions

The Community Home Elder Safety Solutions (CHESS) group is providing FREE home safety assessments for older adults in the Omaha area.

Eligible program participants will receive:

1. Home safety inspection with emphasis on preventing falls and accidents.
2. Risk identification and solution planning.
3. Referral to the Eastern Nebraska Office on Aging's Information & Assistance department, 402-444-6444.

To schedule a home safety inspection, contact the following:
