Conditions of Contract

Definitions
On this Air Waybill, "we," "our," "us," and "FedEx" refer to Federal Express Corporation, its subsidiaries and branches, and their respective employees, agents, and independent contractors. "You" and "your" refer to the shipper and its employees, principals, and agents. If your shipment originates outside the United States, your contract of carriage is with the FedEx subsidiary, branch, or independent contractor who originally accepts the shipment from you.

"Package" means any container or envelope that is accepted by us for delivery, including any such packages that you are utilizing our automated systems, meters, mailboxes, or waybills. "Shipment" means all packages which are tendered to and accepted by us on a single Air Waybill.

Agreement to Terms
By giving us your shipment, you agree, regardless of whether you are in front of this Air Waybill, for you to be bound by the terms and conditions referred to in this NON-NEGOTIABLE Air Waybill, and as appropriate to all terms in any FedEx transportation agreement between you and FedEx covering this shipment, and in any applicable tariff, and in the current FedEx Service Guide or Standard Conditions of Carriage on fedex.com, or copies of which are available upon request. If there is a conflict between the Air Waybill and any such document then in effect, the transportation agreement, tariff, current FedEx Service Guide, or Standard Conditions of Carriage will control, in that order of priority.

No one is authorized to alter or modify the terms of our agreement. This Air Waybill shall be binding on us only when the shipment is accepted. We may mark this Air Waybill with an employee number as our signature, or our printed name shall be sufficient to constitute our signature of this Air Waybill.

Your Obligations
You warrant that each article in the shipment is properly described on this Air Waybill; for your protection, acceptable for transport by us, and properly marked, addressed, and packed to ensure safe transportation with ordinary care in handling. You are responsible for all charges, including transportation charges, for possible surcharges, customs and duties assessments and fees related to the prepayment of the same, governmental penalties and fines, taxes, and our lawyers' fees and legal costs, related to this shipment.

Air Carriage Notice
If the carriage of your shipment by air involves an ultimate destination or stop in a country other than the country of departure, the Warsaw Convention and any of its subsequent amendments and protocols ("Warsaw Convention") or Montreal Convention may be applicable and govern and in most countries our liability for loss, damage, delay, short, misdelivery, nondelivery, misdescription, or failure to provide information in connection with your shipment.

In certain countries, the Warsaw Convention limits our liability to US$9.07 per pound (US$2.00 per kilogram) or the equivalent in local currency, unless you declare a higher value for carriage as described below.

There are no stopping places which are accepted at the time of tender of the shipment, and we reserve the right to route the shipment in any way we deem appropriate.

Road Transport Notice
Shipment transported partly or solely by road, be there an explicit agreement to do so or not, is to or from a country that is a party to the Convention on the Convention for International Carriage of Goods by Road (the "CMR") subject to the terms and conditions of the CMR, notwithstanding any other provisions referred to in this Air Waybill to the contrary, except that the higher limitations of liability as set forth in the CMR shall remain applicable as opposed to those set forth in the CMR.

Limitation of Liability
If not governed by the Warsaw or Montreal Convention, the CMR, or any other international treaties, laws, other governmental regulations, orders, or decrees, our maximum liability for loss, damage, delay, misdelivery, nondelivery, misdescription, or failure to provide information in connection with your shipment is limited by this Air Waybill to US$100 per package or US$9.07 per pound (US$20 per package or US$2.00 per kilogram) for the equivalent in local currency, whichever is greater, unless you declare a higher value for carriage as described below.

If you declare a higher value, you must pay an additional charge for each additional US$100 (or the equivalent in local currency) of declared value for carriage. Please call us or refer to our rate sheets in effect at the time of shipment for an explanation of the additional charge. If you declare a higher value for carriage and pay the additional charge, our maximum liability will be the lesser of your declared value for carriage or your actual damages. We do not provide cargo liability or all-risk insurance.

Declared Value Limits
The highest declared value we allow for a FedEx Envelope or FedEx Pak shipment is US$100 per shipment or US$9.07 per pound (US$20 per kilogram) (or the equivalent in local currency), whichever is greater.

For other shipments, in particular shipments of extraordinary value, including but not limited to jewelry, artwork, antiques, precious metals, and furs and for clothing, the declared value of carriage is limited and depends on the contents and the destination of the shipment.

Please check the current FedEx Service Guide, our Standard Conditions of Carriage, or any applicable tariff for an explanation of the declared value limits.

If you send more than one package using a single Air Waybill, the declared value for carriage of each package will be determined by dividing the total declared value for carriage by the number of packages in the shipment.
