

College of Allied Health Professions Computer Specifications

- Examinations:** The UNMC College of Allied Health Professions utilizes ExamSoft, an online exam software system. Students are responsible for having either a desktop or a laptop (as designated by their program) that meets specified requirements.
- Video Conferencing:** Students must have access to high speed, dedicated Internet access where they will reside during clinical rotation (hospital and guest wi-fi are not sufficient) for required Vidyo videoconferencing during clinical rotations.

Internet Capabilities	Broadband cable or DSL with a minimum connection speed of 368 Kbits is recommended. Slower connections may not provide optimal course experience and performance.
Operating System[†]	PC: Microsoft Windows 7, 8, 10 or Vista or MAC: OS X 10.9 (Mavericks) or above <i>Note: Alternate versions of Windows 10 are not supported at this time</i> Tablets that support Examsoft: iPad (require iOS 8 or above) & Surface Pro (require same as PC) <i>Note: Only Genuine, U.S. English, French, Portuguese, Swedish, and British versions of Windows Operating Systems are supported. Only genuine versions of IOS are supported.</i>
Processor Type:	A modern processor such as an Intel Dual Core or higher.
System Memory	8GB RAM or higher
