

CALL FOR PARTICIPANTS

College of Allied Health Professions Evidence-Based Healthcare Forum

The Research Development and Management Committee of the College of Allied Health Professions (CAHP) is again sponsoring an Evidence-Based Healthcare Forum. This forum will be hybrid. Students can participate in person or via zoom depending on their location and program specific requirements. This forum will consist of short digital presentations with small group discussion of **research projects, critical reviews** of literature, or **educational exhibits** by students in the CAHP programs. The hybrid Healthcare Forum is **Wednesday, May 1, 2024**.

Step 1:

Register - One student from each group presenting a digital presentation must fill out the **registration form** on the [Forum website](#). Registration requires only the title, authors, program, and topic area. The title should clearly indicate the nature of the work. Registration is due **NO LATER** than Friday, **March 8, 2024 @ 11:59 pm CST**.

Step 2:

You will receive additional information from your program designee (see below).

Program	Designee
