

To Whom It May Concern:

This letter is provided on behalf of a prospective applicant interested in applying to the University of Nebraska Medical Center Interservice Physician Assistant Program (IPAP) through the Navy.

To assist in determining eligibility for Navy IPAP, the required prerequisite courses are outlined below, which must all be completed within 10 years of the application deadline.

- Anatomy & Physiology I and Anatomy & Physiology II – 6-8 semester credit hours
OR: Human Anatomy and Human Physiology – 6-8 semester credit hours
- General Chemistry I – 3-4 semester credit hours
- General Chemistry II – 3-4 semester credit hours
- College Algebra – 3 semester credit hours
- English Composition – 6 semester credit hours
- Humanities – 6 semester credit hours
- Psychology – 3 semester credit hours
- Medical Terminology – 2 semester credit hours

In addition to the prerequisite requirements listed above, Navy IPAP applicants must complete an additional 18 hours of biology and/or chemistry electives.

Thank you for your attention to this matter.

Sincerely,

Enrollment Management & Student Affairs
