

# Why UNMC PT-Students

0:06

I chose UNMC because I had heard many great things from friends and family who previously attended about their high quality education that is offered at UNMC and because of their great reputation across the state of Nebraska.

0:18

What makes UNMC special is the people.

0:20

From supportive classmates and passionate faculty to engaged alumni who give back, There's a real sense of community here.

0:27

UNMC has long been a leader in healthcare, education and research with a massive impact on the Nebraska community.

0:34

I chose UNMC because of the scholarship opportunities that were available to me, such as the Rural Health Opportunities Program and the proximity of the campuses to where I grew up and where I hope to practice one day.

0:45

I chose UNMC because of its strong reputation and supportive faculty.

0:48

From the moment I applied, I felt welcomed and valued.
