Faculty Opening
Department of Physician Assistant Education

This is an opportunity to work in a vital enterprise in the nation’s heartland. The University of Nebraska Medical Center has its eye on improving the future of health care in Nebraska and beyond.

Our mission is to lead the world in transforming lives to create a healthy future for all individuals and communities through premier educational programs, innovative research and extraordinary patient care.

As Nebraska’s only public academic health sciences center, UNMC is committed
- to the education of a 21st century health care work force,
- to finding cures and treatments for devastating diseases,
- to providing the best care for patients,
- to serving our state and its communities through award-winning outreach, and
- to embracing the richness of diversity.

UNMC Primary Care Program ranked 8th of 185 medical schools.*
UNMC PA Program ranked 15th.*

*US News and World Report
