The **Distinguished Alumnus Award** is presented to a living graduate of the UNMC College of Medicine to recognize an individual's noteworthy contributions to the University of Nebraska Medical Center, the medical profession and to the health of all people through patient care, basic and clinical research, teaching skills and/or health services administration. The recipient will demonstrate the highest principles of the medical profession and serve as a role model for current and future medical doctors and health care professionals.

The **Early Career Achievement Award** is presented to an alumnus who has graduated within the past 20 years from the UNMC College of Medicine. The award recognizes an individual who has made distinguished achievements and contributions early in his or her career to the medical profession, the UNMC College of Medicine and/or the UNMC College of Medicine Alumni Council.

The **Dedication to Student Excellence Award** is presented to a living graduate of the UNMC College of Medicine who has had significant impact, going above and beyond, on the education of UNMC medical students.

The **Honorary Alumnus Award** is presented to a living non-graduate of the UNMC College of Medicine who has had significant impact through their professional or personal contributions to the mission of the UNMC College of Medicine, the UNMC College of Medicine Alumni Council and/or the provision of health care or health care education.
