SUPPORT FOR COLLEGE OF PUBLIC
HEALTH STRATEGIC INITIATIVES:

\$8,165

The College of Public Health Innovation Fund supported:

- the people and programs of the UNMC Alumni Association;
- competitive awards for student research poster sessions to encourage more and higher-quality research projects; and
- the most pressing and most important needs of the College of Public Health.

“Thanks to the innovation fund we can support new ideas to improve health for our local, state and national communities. I am grateful to our alumni and other donors for the opportunity to support these activities that would go undone without their generosity. Thank you for making a difference in the lives of our students.”
