The Graduate Studies Innovation Fund supported:

- the people and programs of the UNMC Alumni Association — a crucial resource as the Graduate Studies Program builds its communication vehicles, engagement programs and activities for graduate students and our alumni across the country.

"I couldn't be prouder to serve as Dean of the UNMC Graduate Studies Program as we launch our Alumni Council, create recognition for our alumni graduates and increase our communication and engagement with students and alumni. Thank you to all who are contributing their time, talents and treasure, as together we build for our future."

H. Dele Davies, M.D., MHCM
