The [Distinguished Alumnus Award](#) is presented to a living graduate of the UNMC Graduate Studies Program to recognize an individual's noteworthy contributions to the University of Nebraska Medical Center or in their career field. The recipient will demonstrate the highest principles of her or his profession and serve as a role model for current and future UNMC Graduate Studies Program alumni.

The [Honorary Alumnus Award](#) is presented to a living non-graduate of the UNMC Graduate Studies Program who has had significant impact through their professional or personal contributions to the mission of UNMC, the UNMC Graduate Studies Alumni Council, basic and/or clinical research, teaching skills, and/or health services administration.

The [Early Career Achievement Award](#) is presented to an alumnus who has graduated within the past 20 years from the UNMC Graduate Studies Program. The award recognizes an individual who has made distinguished achievements and contributions early in her or his career.
