

*The following donors have made gifts to benefit the College of Dentistry and its students through the newly created College of Dentistry Innovation Fund.*

*The College of Dentistry Innovation Fund supports programs and events for alumni and students alike, including the annual white coat ceremony, student travel to national conferences, the post-commencement luncheon and many others. In addition, this fund supports emerging, critical college priorities that transform the lives of students and guide them to become tomorrow's leaders in dentistry.*
