College of Dentistry Innovation Fund Report
July 1, 2020 – June 30, 2021

FUNDS RAISED: $52,859
# OF DONORS: 190
SUPPORT FOR UNMCAA: $12,500
SUPPORT FOR COLLEGE OF DENTISTRY STRATEGIC INITIATIVES: $40,359

The College of Dentistry Innovation Fund supported:

• scholarships and other student support activities that encourage students to continue on their educational paths and keep working toward achieving their goals;
• emerging college priorities, including offering students the most innovative learning technology that allows them to build cutting-edge dentistry skills, enhancing their clinical educational experiences and expanding the college's educational, research and outreach programs;
• travel to national conferences and other educational opportunities where students discover career opportunities;
• the annual White Coat Ceremony where incoming students are welcomed into the College of Dentistry family; and
• the post-commencement reception where students are welcomed into the College of Dentistry alumni family.

“We are grateful for our generous donors who support the work of the college and show their dedication to the college's future. They are making a broad and lasting impact and a profound difference in the lives of every College of Dentistry student.”

Janet Guthmiller, DDS, PhD
Dean, College of Dentistry
