THE COLLEGE OF PUBLIC HEALTH INNOVATION FUND SUPPORTED:

- student research and awards; and
- excellence in teaching awards.

“The College of Public Health’s relentless pursuit of solutions to our nation’s current health problems and preventing them from happening in the first place depends on innovative ideas. The innovation fund serves as a catalyst for these ideas by allowing us to test and pilot new projects for future scale-up and additional funding.”

Ali S. Khan, MD, MPH
Dean, College of Public Health
