

2025 UNMC Alumni Reunion Weekend

Details for Getting to Campus & Campus Map

GETTING TO CAMPUS

Reunion registrants are responsible for their own transportation to campus. Parking instructions, along with a campus map, are on page 2 of this document. You can find your personalized schedule linked in your confirmation email.

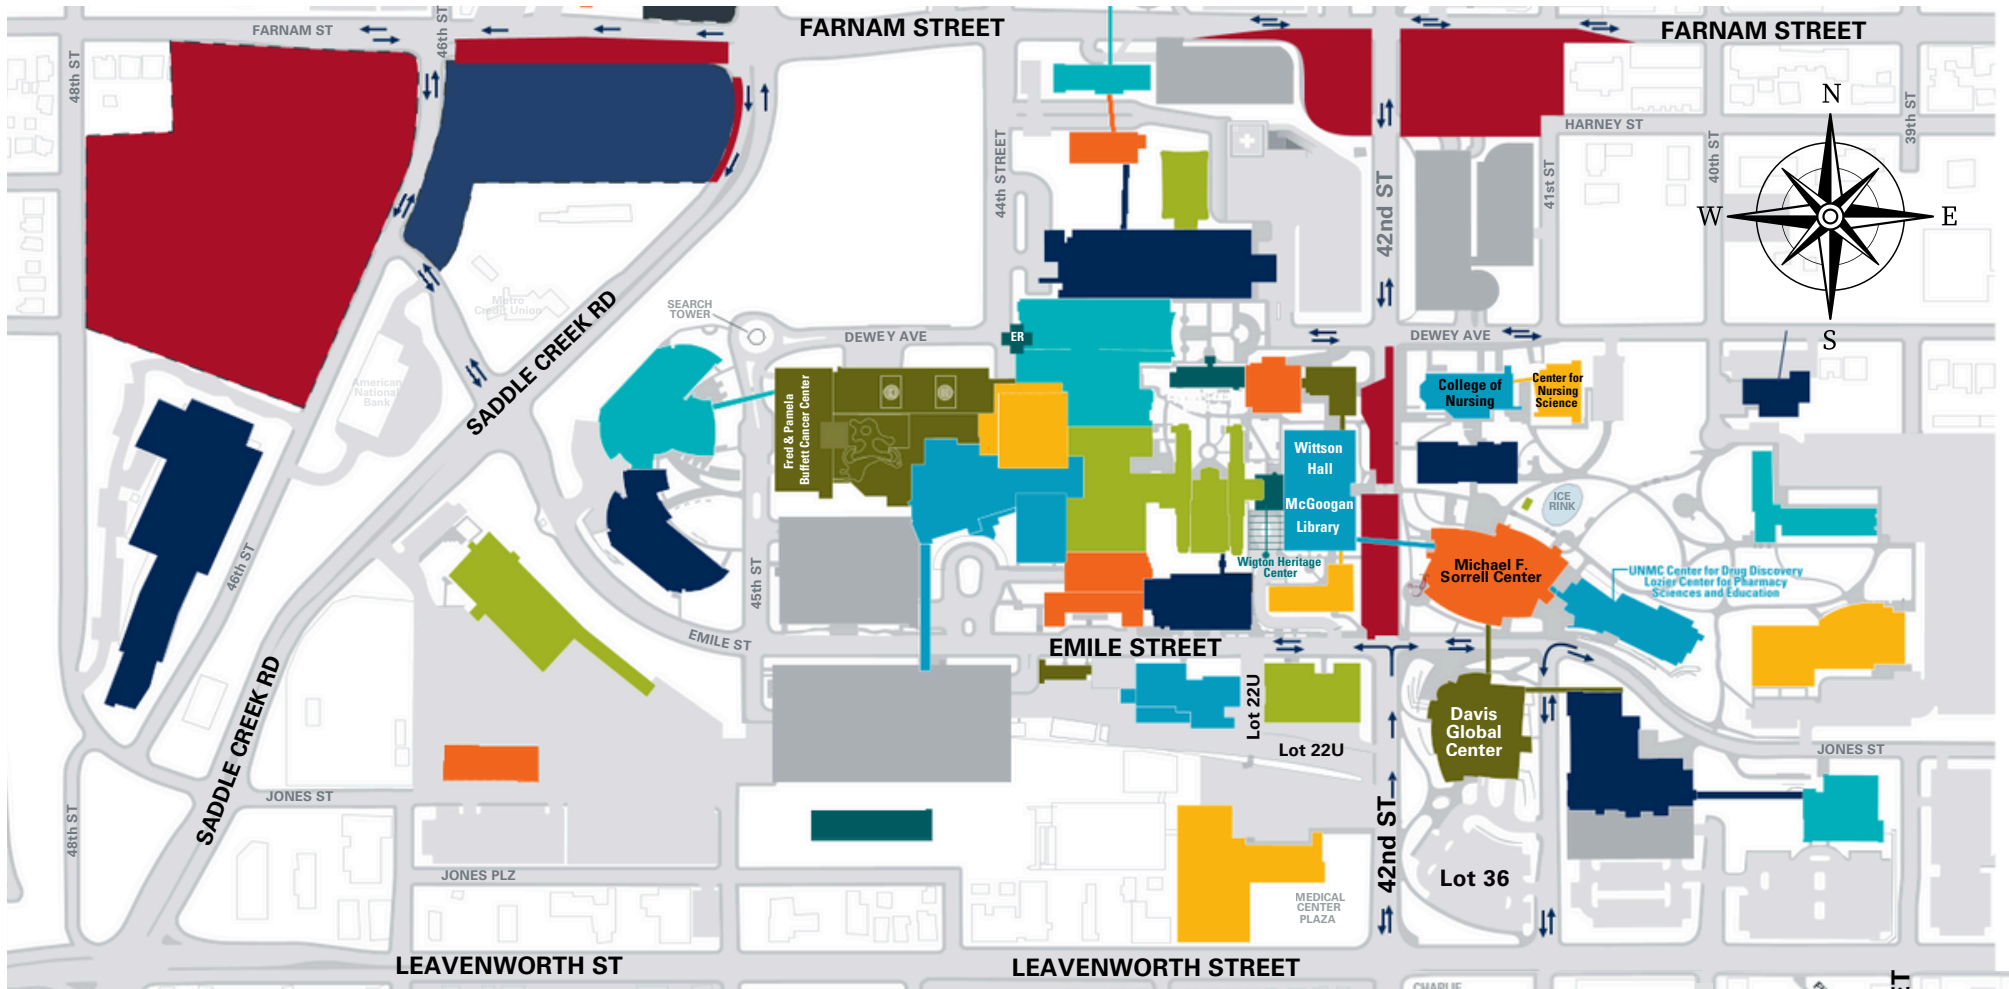

If you won't have a car, here are some options to consider:

- Arrange a ride with a classmate
- Call a cab (Visit Omaha recommends zTrip at 402-292-2222)
- Use a rideshare app like Uber or Lyft

For cabs or rideshare services, please enter the following address for drop-off: 619 S 42nd Street. This is the address of the Michael F. Sorrell Center. Ask to be dropped off near the red stethoscope statue on the southwest corner of the building — check-in will be just inside the doors by the statue.

There is significant road construction underway on the UNMC campus, including a complete closure of 42nd Street north of the Sorrell Center. We encourage you to allow extra time to arrive due to this construction.

- 42nd Street from Dewey Ave. to Emile St. will be closed until summer 2026. The sidewalk on the east side of 42nd St. remains open.
- Eastbound traffic on Farnam St. is closed between Saddle Creek Rd. and 46th St.
- Harney Street is closed from Farnam to 41st streets, resulting in two-way traffic at the corner of 42nd and Farnam streets.

PARKING ON CAMPUS

Limited parking is available, so we recommend carpooling if possible.

For parking on campus during the day on Friday, please park in Lot 62, 63, or 64, located on Marcy Street (one block south of Leavenworth) between 38th Ave. & 40th St.

For the College of Medicine Classes of 1975 and 1995 who are having class parties on campus, please look at your personalized schedule linked in your confirmation email regarding parking for your class party, and reference this map for your parking lot locations.

An Arrow van will serve as our reunion shuttle and will make continuous loops from Lot 63 to the Sorrell Center during the following times: 8:30 – 11:15 a.m. and 1:00 – 5:15 p.m. The shuttle pickup is marked with the yellow star at right. If you park in Lot 62 or Lot 64, please walk to the north side of Lot 63 to meet the shuttle. If you prefer to walk to the Michael F. Sorrell Center (in orange on the map), it is about four blocks from the parking lot, though the route is partially uphill. Please note: UNMC also runs a campus shuttle with multiple stops. This shuttle will not take you to the Sorrell Center.
