Our Mission

The mission of the Department of Anesthesiology is to provide state-of-the-art education and the highest level of patient care by fostering a culture of faculty excellence, innovation, and collaboration.

OUR VALUES
reflect who we are and why we’re here.

ITEACH

Innovation
Search for a better way. Seek and implement ideas and approaches that can change the way the world discovers, teaches and heals. Drive transformational change.

Teamwork
Respect diversity and one another. Communicate effectively and listen well. Be approachable and courteous. There is no limit to what we can achieve when we work together.

Excellence
Strive for the highest standards of safety and quality in all that you do. Work to achieve exceptional results.

Accountability
Commit. Take ownership. Be resilient, transparent and honest. Always do the right thing and continuously learn.

Courage
Make the tough decisions. Have no fear of failure in the pursuit of excellence. Admit mistakes and learn from them.

Healing
Show the empathy you feel. Be selfless in caring for patients, one another and the community.
