CHOOSE YOUR OWN CAREER PATH

The Department of Anesthesiology at the University of Nebraska Medical Center is currently hiring anesthesiologists for faculty positions at all ranks. Successful candidates will work within the department's Multispecialty Division, which cares for adults undergoing non-cardiac surgery or labor and delivery. The division is segmented into sections of expertise:

Abdominal Organ Transplantation	Complex Abdominopelvic	Neuroanesthesia	Orthopedic
Obstetric	Thoracic	Trauma and Advanced Airway	Vascular

WHY JOIN OUR TEAM?

Growth, teamwork and benefits

- Develop subspecialist expertise while also maintaining a broad range of clinical skills
- Increased work satisfaction by focusing on 2-3 anesthesia subsections of your choice
- Culture of cooperation and hands-on-help utilizing the Anesthesia Care Team model
- Work closely with excellent resident physicians and certified registered nurse anesthetists
- Opportunities for academic pursuits, clinical research, and hands-on teaching
- Excellent benefits including retirement, paid time off, and continuing education funds
- Flexibility in work schedules that promote work-life balance
- Omaha: An affordable city with excellent schools, fantastic trails and events, and easy-access airport
