

**College of Allied Health Professions
Department of Clinical, Diagnostic, & Therapeutic Sciences
Student Responsibility Statement**

As a student in the Department of Clinical, Diagnostic, & Therapeutic Sciences, it is your responsibility to read this CVIT program-specific policies and procedures section. You are also required to read the rest of this CAHP Student Handbook and the UNMC Student Handbook (<http://catalog.unmc.edu/>), and are expected to abide by all regulations contained in them.

Your signature below confirms you have read and understand the CVIT program-specific policies and procedures, the College of Allied Health Professions Student Handbook, and the University of Nebraska Medical Center Student Handbook and that you agree to conditions stated in each of regulatory resources.
