

**College of Allied Health Professions
Department of Medical Imaging and Therapeutic Sciences (MITS)
Student Responsibility Statement**

As a student in the Department of Medical Imaging and Therapeutic Sciences (MITS), it is your responsibility to read this CT Practicum-specific policies and procedures section. You are also required to read the rest of this CAHP Student Handbook and the UNMC Student Handbook (http://www.unmc.edu/studentservices/_documents/Handbook.pdf), and are expected to abide by all regulations contained in them.

Your signature below confirms you have read and understand the CT Practicum-specific policies and procedures, the Medical Imaging and Therapeutic Sciences Department policies and procedures, the College of Allied Health Professions Student Handbook, and the University of Nebraska Medical Center Student Handbook and that you agree to conditions stated in each of these documents.
