Deliberate Play

LIKE DELIBERATE PRACTICE
BUT WITH A DIFFERENT FOCUS

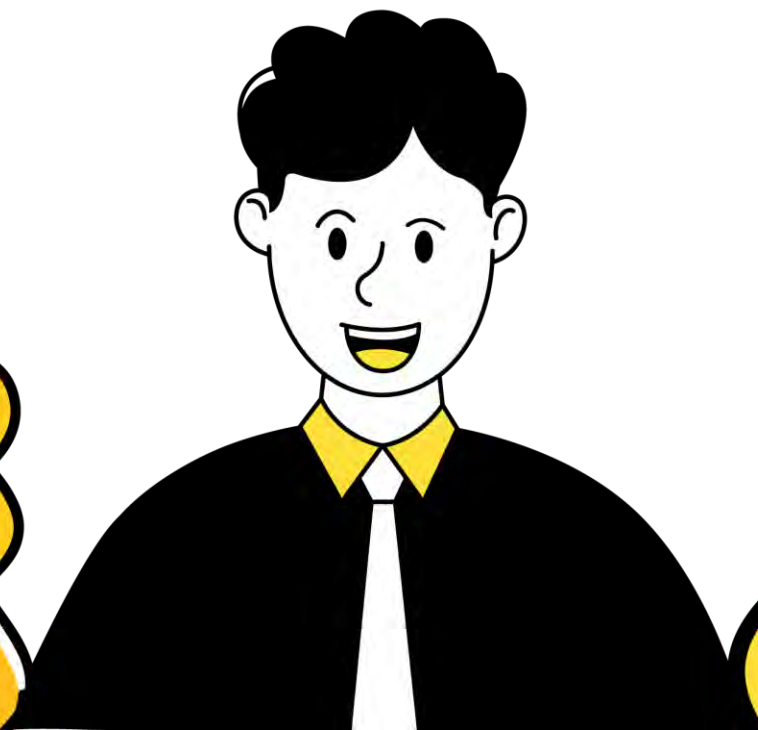

BURNOUT VS. BOREOUT

"We don't rise to the level of our expectations, we fall to the level of our training."

-Archilochus

ONE WORD STORY

WHY DID WE DO THIS?

1. Your duty is to the story, not yourself.
2. Building something by going with the flow.
3. Collaboration by truly listening and staying loyal to the narrative.
4. Recognizing and acknowledging emotion and non-verbal communication in yourself and others.
5. Understanding emotion helps you create predictive responses.

SYNOPSIS

What did you learn today?*

*(IE - WHAT DID YOU EXPERIENCE?)

Embrace “Yes,
and...” as your
default response.
