

15th Biennial Breastfeeding: Baby's Natural Choice Conference

REGISTER NOW »

JOIN US. Wednesday, Aug. 30, 2023

The **15th Biennial Breastfeeding: Baby's Natural Choice Conference** will enable the learner to provide competent and successful support for breastfeeding through essential topics concerning common lactation issues such as mastitis, engorgement, and other common complications. We will focus on team-based approaches to bring awareness of the critical roles and responsibilities of the health care team when providing feeding support options while addressing behavioral health wellness and providing trauma-informed care to help overcome breastfeeding difficulties.

TARGET AUDIENCE

This accredited continuing education activity is designed for physicians (OB/GYN, pediatric, and family medicine), nurses, lactation consultants, registered dietitians, medical nutrition therapists, residents, physician assistants, nurse practitioners, nurse midwives, breastfeeding advocates, social workers, and students.

CONFERENCE LOCATION

Embassy Suites by Hilton Omaha La Vista Hotel & Conference Center
12520 Westport Pkwy, La Vista, NE 68128

TOPICS

- Lactation Physical Therapy: Biomechanical Interventions
- Bariatric Surgery and Pregnancy Care: Prenatal and Postnatal Considerations
- Maternal Depression and Breastfeeding
- Academy of Breastfeeding Medicine Mastitis Spectrum Protocol
- Supporting Breastfeeding with Trauma-Informed Care
- Real Life Application of Trauma-Informed Care Practices Among Perinatal Health Providers
- Tongue-Tie and Breastfeeding Challenges: Importance of Appropriate Referral, Diagnosis and Treatment
