

This symposium will provide an update on cancer risk and prevention management for breast, ovarian, and several other cancers, with an emphasis on genetic testing and screening guidelines as stated by the National Comprehensive Cancer Network. Additional topics will include cancer prevention, lung cancer screening, direct-to-consumer testing, hereditary cancer syndromes associated with skin and genitourinary cancers, and disparities in genetics.

AGENDA

Registration / Continental Breakfast / Exhibits 7:15 a.m.

7:45 a.m.

Rachael Schmidt, DNP, FNP-C, AOCNP®

8:00 a.m. MORNING KEYNOTE:

> **Cancer Prevention** Mariah Jackson, MMN, RDN, LMNT

9:00 a.m. Lung Cancer Screening

Omar Abughanimeh, MBBS

Direct-to-Consumer Testing Sierra Clark, MGC, CGC 9:30 a.m.

Break / Exhibits 10:00 a.m.

Updates in Testing Guidelines According to the National 10:30 a.m.

Comprehensive Cancer Network

Gwen Reiser, MS, CGC

Updates in Screening Guidelines According to the National 11:00 a.m.

Comprehensive Cancer Network

Molly Thomas, MSN, APRN, AOCNP

Disparities in Genetics 11:30 a.m.

Katie Church, MS, CGC

Lunch / Exhibits Noon

Genes and Skin Cancer 12:45 p.m.

Jessie Poskochil, MS, CGC

Hereditary Skin Cancer / Skin Cancer Screening 1:15 p.m.

1:45 p.m. Break / Exhibits

Genes and Genitourinary Cancers 2:00 p.m.

Hereditary Genitourinary Cancers / Genitourinary Cancer 2:30 p.m.

Screening

Andrew Christiansen, MD

3:00 p.m. Case Discussions with the Nebraska Medicine Cancer Risk

and Prevention Multidisciplinary Clinic

Kelsey Klute, MD; Jamie Malone, MS, CGC; Jessica Maxwell, MD, MSc; Rachael Schmidt, DNP, FNP-C, AOCNP®

Closing Comments / Adjourn 4:00 p.m.

TARGET AUDIENCE

This accredited continuing education activity is designed for primary care/internal medicine providers, advanced practice providers, genetic counselors, nurses, and other health care professionals who work with patients with a family history of cancer or genetic mutations (including but not limited to BRCA 1/2, Lynch syndrome, and pancreatic cancer).

SYMPOSIUM OBJECTIVES

At the conclusion of this activity, the participant should be better able to:

- 1. Identify patients at increased risk for cancer, related to family history or genetic mutations.
- 2. Review updated evidence-based guidelines for cancer risk and prevention including genetic testing, high-risk cancer screening, and risk-reducing surgeries.
- 3. Discuss case studies with the team members involved in the Cancer Risk and Prevention Multidisciplinary Clinic.

CONTINUING EDUCATION CREDITS

In support of improving patient care, University of Nebraska Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

The University of Nebraska Medical Center designates this live activity for a maximum of 6.50 AMA PRA Category 1 CreditsTM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Nebraska Medical Center designates this activity for 6.25 ANCC contact hours. Nurses should only claim credit for the actual time spent participating in the activity.

REGISTRATION INFORMATION

Registration Fees

\$150 — Physicians

\$25 — Other health care professionals FREE — Fellows, residents, and students

Registration Deadline: Feb. 17 - In-Person / Feb. 22 - Live Stream
