

Comprehensive Parkinson's Disease Care

REGISTER NOW »

JOIN US. Friday, March 24, 2023 • 7:30 a.m. – 3 p.m.

The **Comprehensive Parkinson's Disease Care** will provide a comprehensive multidisciplinary approach to the management of Parkinson's Disease. Topics will include the pathophysiology of the disease, early and late treatment options, the impact of nutrition and diet, motor and non-motor symptoms and complications, the role of therapies in the early and late stages of PD, and innovative outlooks on therapy and prevention. The activity is designed to enhance the training of PD care providers and was prepared and curated by Movement Disorder's Fellowship-trained neurologists at UNMC/Nebraska Medicine.

TARGET AUDIENCE

This accredited continuing education activity is designed for physicians, nurses, occupational therapists, physical therapists, speech pathologists, and other health care providers who care for patients with PD.
