

20 23

HEART AND VASCULAR CONFERENCE: STATE OF THE HEART

Sept. 29 and 30

Hilton Omaha

1001 Cass St. | Omaha, NE 68102

Cardiovascular medicine is a rapidly advancing field with new medical therapies, devices, and procedures emerging. It can be challenging for health care providers to maintain knowledge of said advancements in the various aspects of cardiovascular medicine as well as cardiothoracic and vascular surgery. This conference will provide an overview of the contemporary management of cardiovascular disease processes in a concise and up-to-date manner.

TARGET AUDIENCE

This accredited continuing education activity is designed for cardiologists, primary care providers, advanced practice providers, nurses, emergency medical technicians, paramedics, and other health care providers who treat and evaluate patients with cardiovascular disease.

CONFERENCE OBJECTIVES

At the conclusion of this activity, the participants should be better able to:

1. Discuss new evidence-based cardiovascular medical approaches in the treatment and management of cardiovascular diseases including arrhythmias, aortic/valvular diseases, cardiogenic shock, and other structural heart diseases.
2. Identify the specialized use of new devices in the management, diagnosis, and procedural treatment of patients with chronic thromboembolic pulmonary hypertension, heart failure, transplantation, and/or other cardiovascular conditions.
3. Describe the roles and responsibilities of the health care team when managing cardiovascular diseases from the assessment, evaluation, and management perspectives.

CONTINUING EDUCATION CREDITS

In support of improving patient care, University of Nebraska Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This live activity has been approved for *AMA PRA Category 1 Credit™*.

This activity has been approved for ANCC contact hours.

Emergency Medical Services continuing education credit will be available.

TOPICS

- Heart Failure, Cardiomyopathies, and Advanced Therapies
- Electrophysiology
- Valvular, Structural and Ischemic Heart Disease
- Vascular and Aortic Disease: Bicuspid Valve/ Connective Tissue Disorders with Aortic Disease
- Cardiogenic Shock
- Pulmonary Hypertension, Pulmonary Embolism, and Right Heart Failure

REGISTRATION FEES

- Physicians – \$150
- Other health care professionals – \$50

Registration deadline is Sept. 21.
