

Advances and Challenges of Sickle Cell Care

Thursday, April 25th

Fred & Pamela Buffett Cancer Center, Room #0.12.01

This course for clinicians and others is to enhance healthcare professionals' understanding of sickle cell disease by examining patient experiences, current treatments, genetic advancements, and innovative care delivery models. Through this course, clinicians will be better equipped to provide empathetic, informed, and optimized care to individuals living with sickle cell disease.

OBJECTIVES

At the conclusion of this course, the participant should be better able to:

1. Develop a more defined perspective of the patient experience with sickle cell including the care process and social dynamics.
2. Summarize the current care models and apply strategies of care tailored to patients.
3. Evaluate emerging models of treatment including gene modification
4. Examine health system dynamics and access to care models that integrate care and advance patient-centered care.

TARGET AUDIENCE

This accredited continuing education activity is designed for physicians, advanced practice providers, nurses, social workers, case workers, pain management, counselors, residents, and fellows in the specialty areas of adult oncology and hematology, internal medicine, and pediatrics.

ACCREDITATION

JOINTLY ACCREDITED PROVIDER
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, the University of Nebraska Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The University of Nebraska Medical Center designates this live activity for a maximum of 3.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AGENDA

4:30 p.m.	Registration/Snacks
5:15 p.m.	Welcome
5:30 p.m.	Patient Experience
6:15 p.m.	Treatment and Advances
7:00-7:30 p.m.	Integrated Care
	Question and Answer
