

ACTIVATE

EMS Symposium

REGISTER NOW »

Join us for the Activate EMS Symposium on Sept. 5, 2025

Join us for a dynamic and enriching symposium designed to empower emergency medical services (EMS) professionals with the tools and resources needed to strengthen their ability to respond effectively to various high-stakes medical emergencies.

This offering will not only strengthen skills but also honor the dedication and sacrifices of EMS providers who serve our communities.

Through expert-led workshops, interactive case studies, and networking opportunities, attendees will leave equipped with valuable insights, actionable strategies, and renewed motivation to serve their communities effectively.

Choose Your Track:

1. General Track (EMR & EMT Levels)

Designed for Emergency Medical Responders and Emergency Medical Technicians.

Focus areas include:

- Foundational principles of emergency care
- Practical patient care techniques
- Situational readiness and response strategies

2. Advanced Track (Advanced EMT & Paramedic Levels)

Tailored for Advanced EMTs and Paramedics*.

Delve into:

- Advanced clinical procedures
- Complex case management
- Leadership skills in emergency medicine

*Note: You do not need an advanced certification to attend the Advanced Track; however, familiarity with advanced EMS concepts will be helpful in fully engaging with the content.

TARGET AUDIENCE

This accredited continuing education activity is designed for emergency medical services professionals.

LOCATION

UNMC Davis Global Center

4111 Emile Street, Omaha, NE 68105
