

Join us for the 16th Biennial Breastfeeding: Baby's Natural Choice Conference

The 16th Biennial Breastfeeding: Baby's Natural Choice Conference, scheduled for **Wednesday, Aug. 27**, is a comprehensive event designed for health care professionals involved in maternal and infant health.

This conference brings together experts in lactation, mental health, and pediatric care to address the multifaceted factors influencing breastfeeding practices.

Through a blend of lectures, case discussions, and interactive sessions, participants will explore strategies to support breastfeeding, address challenges in lactation, and promote maternal-infant well-being.

TARGET AUDIENCE

This accredited continuing education activity is designed for physicians (OB/GYN, pediatric, and family medicine), advanced practice providers, nurse midwives, nurses, lactation consultants, registered dietitians and medical nutrition therapists, social workers, breastfeeding advocates, fellows, residents, and students.

LOCATION

UNO Scott Conference Center
6450 Pine Street, Omaha, NE 68106

CONFERENCE DIRECTOR

Carl V. Smith, MD
Chris J. and Marie A. Olson Endowed Professor; Professor and Chair, Department of Obstetrics and Gynecology; President – Olson Center for Women's Health Advisory Committee, UNMC

TOPICS

- From Letdown to Letting Go: Dysphoric Milk Ejection Reflection (D-MER) and the Mental Health Effects of Weaning
