## Join us for the 2025 MWPCS Annual Meeting

### Expanding the Scope of Pediatric Cardiology

September 18–19 | Omaha, Nebraska

Join pediatric cardiology experts from across the region for the **2025 Midwest Pediatric Cardiology Society (MWPCS) Annual Meeting**—a two-day event dedicated to advancing cardiovascular care for young patients.

This year’s theme, “**Expanding the Scope of Pediatric Cardiology**,” highlights innovative, multidisciplinary approaches to diagnosing, treating, and managing pediatric heart conditions.

#### What to Expect:

- Expert-led educational sessions featuring presentations on:
  - Cardiac Rehabilitation and Advances in Cardiopulmonary Exercise Testing
  - Lipid Disorders and Pharmacologic Management
  - Artificial Intelligence in Everyday Practice
  - Emerging Trends in Cardiac Genetics
- Networking with peers and leaders in pediatric cardiology
- Unique off-site experiences, including a special zoo event and guest speaker presentation
- A vibrant, collaborative atmosphere in the heart of Omaha

#### TARGET AUDIENCE

This accredited continuing education activity is designed for a multidisciplinary audience involved in the care of pediatric cardiology patients, including physicians, advanced practice providers, nurses, fellows, residents, and students with an interest in pediatric cardiovascular care.

#### LOCATION

**Holland Performing Arts Center**  
1200 Douglas Street, Omaha, NE 68102

#### MEETING DIRECTORS

##### Jeffrey A. Robinson, MD

Associate Professor, Division of Pediatric Cardiology, Department of Pediatrics, UNMC

##### Jeffrey W. Delaney, MD

Theodore F. Hubbard Endowed Chair in Pediatric Cardiology  
Chief, Division of Pediatric Cardiology; Professor, Department of Pediatrics, UNMC

Join us. Registration is open!
